Amendment or cancellation costs

REQUIRED DOCUMENTATION:

If due to someone's health (medical condition, injury or death):

- The Medical Certificate (page 9) completed by the usual medical practitioner.
- The Medical Authority (page 9) completed by the person whose state of health caused the claim or the Executor of the Estate.
- Additionally, if the claim is due to someone's death you will need to provide a full copy of the Death Certificate (not an extract) that states the cause of death.

*Please note that you can obtain the travel information required below from your travel agent or supplier directly.

International flights documentation (for any international flights)

- A copy of the airline's fare sheet/rules (showing the fare conditions).
- N.B.: Please check the conditions as many airlines have waivers E.g. in the case that a passenger or their relative dies, you may be able to claim a refund from the airline with the submission of a medical or death certificate. This must be applied for first before submitting a claim.

Domestic flights documentation (for any domestic flights)

- Confirm if the ticket has been changed to travel at a later date. If the date hasn't been changed, there is a 12 month credit allowance that is available for use through the airline. If the customer is unable to use the credit, the customer will need to obtain confirmation that the credit has been cancelled before claiming for it through their travel insurance policy.

Land arrangements documentation (for any land bookings)

- We require a copy of the providers booking conditions showing the published cancellation penalties. This is usually shown in the back of the relevant brochures.
- If the booking conditions do not specify exactly what cancellation fees apply (E.g. cancellation fees may be up to 100%) then we require written confirmation from the wholesaler confirming how much you are to be refunded.

Cruise documentation (for any cruises)

- We require a copy of the providers booking conditions showing the published cancellation penalties. This is usually shown in the brochures.
- We also need a breakdown of any tax component (i.e. port taxes) that should be refundable.

1. Were all of your travel arrangements booked by a travel agent?

- Yes - You do not need to fill out the following. Instead, please have your travel agent complete the 'Agent form' on page 11-12.
- No - Please fill out the table following for any arrangements that you booked yourself. If any of your travel arrangements were booked by a travel agent, please have them fill out page 11-12.

You only need to complete the following for travel arrangements being claimed that were not arranged by a travel agent.

Your policy covers you for amendment or cancellation, whichever is the less (subject to policy limits and the terms and conditions of the Product Disclosure Statement). Firstly you need to work out how much it would cost you to amend your journey (e.g. to travel at a later date) compared to the non-refundable amount you won't be able to get back if you cancel the journey. In most cases it is more cost effective to amend your journey rather than cancel it. If you have not made any changes to your travel plans yet as a result of a potential claim under this section, please phone us and we will guide you.

2. On what date did you cancel/amend your journey?

 / /

3. Can you travel on different dates? Yes No If No, please explain the reason why you have not amended the journey.

Travel insurance protects you against the amount the responsible transport provider is unable to compensate you for, subject to your policy conditions and limits.

If Yes, please give details and the claim reference number.

If Yes, what amount did you receive in compensation? Please make sure you include written confirmation of this amount.

Cruise documentation (for any cruises)

- We require a copy of the providers booking conditions showing the published cancellation penalties. This is usually shown in the brochures.
- We also need a breakdown of any tax component (i.e. port taxes) that should be refundable.

Remember to make a copy of all documents submitted for your Customer in case they become lost in the mail.

Did you know that many airlines offer a cancellation waiver due to the death of a passenger or close family member?

Please ensure you check the airline terms and conditions as many airlines offer this waiver even on non-refundable tickets, with the submission of the death or medical certificate.

Here is an example of an airlines waiver in regards to death:

"waiver permitted for death of a passenger/an accompanying passenger/immediate relative as defined in general rules/legal guardian or ward as validated by a death or medical certificate".

Check the terms and conditions relevant to the customer's other bookings to see if they are entitled to this refund as these need to be applied for prior to submitting a claim form to Cover-More.
